

Lewes Hockey Club

A guide for visiting teams

Pitch location

Primary venue

Southdown Sports Club Astro

Cockshut Road, Lewes

BN7 3PR

for sat nav

Changing rooms and toilets are in the clubhouse.

Parking

The main overflow car park, on your right as you come down Cockshut Road, is the best place to park.

Register your car registration on the tablet at clubhouse reception. Parking is then free while you are here. Unregistered cars may be fined.

Alternative venue

Falmer Sports Complex

University of Sussex

BN1 9PJ

for sat nav

Used for some fixtures instead of Southdown.

Getting in

Follow signs from the A27 to the University, pass the barriers, then first right up the narrow road.

Park in the overflow car park down the hill, on the left of the main road. Register at sports reception for free parking.

Our kit

We play in green shirts, black shorts or skirts and black socks.

If that clashes with your kit, league rules make it your responsibility to bring an alternative. Please tell us in advance either way.

Teas

Teas are served in the Southdown clubhouse after the match, including after fixtures played at Falmer. If you drive over, please register your car there too.

Tea deadline: 5pm on the Wednesday before the match.

Teas are expensive, so please let us know your numbers by then, or if you can no longer make it.

Vans, minibuses and lorries

6' 0"
1.8m

There is a low railway bridge on Cockshut Road, about 6ft high.

High vehicles will not get under it on the direct approach to the club, so please come round by Ham Lane instead. From Southover, take Priory Street and Mountfield Road, then follow Ham Lane round and approach the club from the east.
